

MOHAMED RIYAS

FULL STACK DEVELOPER

9946198983 Kochi, Kerala | mohamedriyas.dev@gmail.com | [LinkedIn](#) | [GitHub](#)

OBJECTIVE

Skilled MEARN Stack Development Intern with strong expertise in React.js, Redux, and RESTful APIs. Eager to create responsive web and cross-platform applications, collaborate on cutting-edge UI/UX designs, and optimize performance. Dedicated to crafting seamless user experiences and delivering innovative, high-quality solutions in a dynamic, team-oriented environment.

PROJECTS

Media Player (React JS, Node JS)

- Developed a responsive Media Player using React.js for frontend and Node.js for backend.
- Integrated full CRUD operations and deployed on Vercel.
- Integrated Axios for API calls.

Live Sports Streaming (React JS, RESTful API)

- Developed a responsive Live sports streaming website using React.js for frontend and Node.js for backend.
- Integrated Axios for API calls.

EDUCATION

Bachelor of Computer Application

Sree Narayana Guru College, Calicut University

Nov 2021 - April 2024

Nattika, Thrissur

- Assisted peers in mastering web development concepts, fostering teamwork and technical growth.
- Provided guidance on coding best practices and problem-solving techniques to ensure high-quality project outcomes.
- Led group projects, focusing on UI/UX design collaboration, performance optimization, and delivering functional, user-friendly applications.

INTERNSHIP

MEARN Stack Development

Luminar Technolab

Jun 2024 - Feb 2025

Kakkanad, Kochi

- Developed user interfaces and implemented front-end features using React.js, focusing on performance optimization and responsive design.
- Collaborated with team members on project planning, testing, and debugging, ensuring seamless integration and high-quality user experience.
- Gained hands-on experience in RESTful API integration, managing asynchronous data fetching, and optimizing web applications for scalability and functionality.
